Audit checklist

- Compare total bill to prepaid / MVNO quote for same usage
- Remove insurance on phones you can afford to replace
- Drop international / travel add-ons if unused 12+ months
- Check for tablet / watch lines with \$10+ fees
- Verify autopay discount is actually applied
- Ask if loyalty or employer discount is available
- Consider splitting kids to lower-tier plans

Internet & TV bundle

- List advertised speed vs actual speed (run a speed test)
- Router rental fee? Buy own router if allowed
- TV package included you don't watch?
- Promo rate expiration date noted?
